Ynys Hywel Learning Community**Outcome of follow-up visit relating to the Independent School Standards (Wales) Regulations 2024**

At the follow-up to registration in December 2024, the school was found not to be fully compliant with the following standards:

Standard 3: The welfare, health and safety of pupils (regulations 3(14) and 3(17))

Standard 4: The suitability of proprietors and staff (regulations 4 {20(2 a-g) (3)} and 4(24))

Since that inspection, the proprietor and school leaders have taken effective action to address the areas of non-compliance. They have ensured that admission and attendance registers are now maintained in line with Welsh Government guidance. In addition, they have established a robust system for ensuring pre-employment checks are conducted and recorded and now maintain a single central register (SCR) to record these checks accurately.

As a result, there is no longer any evidence that the school is not compliant with Standard 3 and Standard 4 of the Independent School Standards (Wales) Regulations 2024.

Yours sincerely

Dyfrig Ellis
