

Report summary for parents and carers on Ysgol Babanod Mochdre

Date of inspection: October 2023

by Estyn, His Majesty's Inspectorate for Education and Training in Wales

Overview

Ysgol Babanod Mochdre is part of the Mochdre federation of schools, which includes Ysgol Cystennin. Ysgol Babanod Mochdre provides a nurturing environment where pupils feel safe and secure. Ensuring the well-being of pupils is a high priority for all members of the school community. As a result, pupils feel cared for and valued by staff.

The headteacher has maintained a positive team ethos during a period of significant challenge. She has established an inclusive and caring culture. However, long term staff absences within the federation have had a significant impact on the effectiveness of leadership and provision at the school. School improvement work does not focus well enough on outcomes for pupils. Currently, leaders do not show the capacity to secure the improvements needed at the school.

Provision to develop pupils' digital and Welsh language skills is effective overall and supports most pupils to make appropriate progress. However, the school's provision for developing pupils' skills as they move through the school is too varied in important areas. As a result, a minority of older pupils, including those with additional learning needs (ALN), do not make effective progress.

The school is at a very early stage in reforming their curriculum in response to Curriculum for Wales. Teaching and learning experiences provided for pupils do not support them to make enough progress across the full breadth of the curriculum. The range of experiences to enhance the curriculum, such as visits and extra-curricular activities, is at an early stage of development.

Leaders have introduced a beneficial approach to supporting positive behaviour and as a result most pupils behave well. Teaching engages pupils well and learning environments have recently improved. However, in about half of classes, teachers do not have high enough expectations of what pupils can achieve.

The school has established an appropriate culture of safeguarding. However, rates of attendance are well below the national average and particularly low for pupils eligible for free school meals.

Recommendations

- R1 Strengthen the impact of leadership at all levels in order to secure the necessary improvements
- R2 Ensure that all groups of pupils, including those with ALN and those eligible for free school meals, make effective progress in developing literacy and numeracy skills
- R3 Ensure that teaching is effective and demonstrates appropriately high expectations of what all pupils can achieve
- R4 Develop a rich curriculum that builds on pupils' skills, knowledge and understanding progressively
- R5 Improve attendance, particularly for those pupils eligible for free school meals

What happens next

In accordance with the Education Act 2005, HMCI is of the opinion that special measures are required in relation to this school. The school will draw up an action plan to show how it is going to address the recommendations. This is the most intensive level of statutory follow-up. Estyn will monitor the school's progress on a termly basis following the publication of the inspection report.

School context

Name of provider	Ysgol Babanod Mochdre
Local authority	Conwy County Borough Council
Language of the provider	English
Type of school	Primary
